NADAÍSMO 60 AÑOS

Una aventura maravillosa

Nadaísmo Sesenta Años es un homenaje que la Biblioteca Pública Piloto y la Secretaría de Cultura Ciudadana de Medellín, dedican a la apuesta que estos jóvenes geniales, locos y peligrosos, se jugaron por la transformación literaria y cultural del país. Los documentos de archivo del Fondo Movimiento Nadaísta de la Biblioteca Pública Piloto y los archivos personales de los miembros vivos del grupo son la ruta de navegación de esta exposición. 60 años que nos invitan a seguir viviendo, soñando y creando.
